9:00 AM – 12:00

Interlink Supply | Jody Adams & Tom Forsythe

URINE ODOR REMOVAL

Join us to hear the latest updates on pet odor removal. Over 63% of homes have a cat or dog. Pet care is a \$60 billion dollar industry. Part of that care is cleaning and removing lingering odors. That is where you come in. Come learn the solutions and tools for removing urine contamination and odor removal. Get better equipped to be able to quickly take care of your customer and give great results you know will last.

12:00 PM – 1:00 PM - Lunch

1:00 PM – 4:00 PM

CTI | Brian Bond

SPOT & STAIN REMOVAL

Effectively learn new skills and the science behind them to remove the most stubborn stains. Brian will cover synthetic food dyes, organic stains, petroleum-based, protein stains, combinations stains, bleach spots and the reappearing stains. Whether your seasoned or just starting out, you will walk away learning something new.

4

9:00 AM – 10:00 AM

Phoenix | Brandon Titus

NEW TECHNOLOGY IN RESTORATION

Saving time and money with new technologies.

10:00 AM – 12:00

HydraMaster | Rick Marsh

CONQUERING CHALLENGES & CREATING AN EPIC BUSINESS

Join us to learn to build bridges between cleaning and restoration markets. Rick Marsh will teach you all about bringing the right mix of equipment, tools, chemical solutions and support to help your business thrive. He will address reduced profits, equipment downtime, reducing complexity, increasing return on investment, increasing productivity and how to give you the competitive advantage.

12:00 – 1:00 PM - Lunch

1:00 PM – 4:00 PM

Legend Brands | John Otero

CONSIDERING TRAUMA SCENE?

Join John Otero in discussing the demand for trauma cleanup. While it's potentially a lucrative add-on service, it requires specialized training. You will learn the basics on equipment, solutions and personal protective equipment required to do biohazard and crime scene cleanup including those with bloodborne pathogens.
