

First We Made it **MEAN!**

Then We Made it **GREEN!**

AXIOM CLEAN

Green carpet cleaning that actually WORKS!

Independent lab testing has proven AXIOM CLEAN not only cleans as well as its Prochem counterpart, but better than other Green products on the market!

PROCHEM
#1 FOR A REASON!

First We Made it **MEAN!** Then We Made it **GREEN!**

AXIOM CLEAN from **PROCHEM** is the professional's choice for the best in superior cleaning performance, for all Green Cleaning applications. Fully biodegradable, butyl-free, phosphate-free and VOC compliant. Formulated to meet or exceed EPA Design for the Environment (DfE) program guidelines. Leadership in environmentally responsible cleaning from **PROCHEM**, the name you know and trust for top quality and performance.

- Powerful products for residential and commercial cleaning
- Formulated to meet or exceed EPA Design for the Environment (DfE) program guidelines
- Proven cleaning performance, verified in independent laboratory testing
- Mild pH
- Biodegradable, butyl-free, phosphate-free and VOC compliant
- With polymer technology – leaves no sticky residues to attract soil
- Economical dilution rates
- Pleasant light and clean fragrance

AXIOM CLEAN PRE-SPRAY

S717

pH: 8.0 - 8.8 ready to use
Packaged In: 8 oz, Gallons

HMIS® HAZARD RATING:			
Health	1	0=Minimal	
Flammability	0	1=Slight	
Reactivity	0	2=Moderate	
PPE	B	3=Serious	
		4=Severe	

Carpet and Rug Institute Seal of Approval Gold-level cleaning performance when used with Axiom Clean Extraction Detergent or Free Rinse and the Prochem Everest HP truckmount Deep Cleaning System. Mix 6 oz/gal, apply 1 gal/200ft².

Use **AXIOM CLEAN PRE-SPRAY** from **PROCHEM** with Axiom Clean Extraction Detergent or Axiom Clean Free Rinse, for the most effective 2-Step cleaning combination.

FEATURES

- Removes oily and greasy soils from traffic lane and spots.
- Mild pH is safe for all types of carpet including wool and stain-resistant nylon.
- Economical 1:32 dilution rate.

WHERE TO USE: Use as a cleaning pre-treatment for wool and synthetic carpet and water-cleanable upholstery, using hot-water extraction.

USE DILUTION:

Pump Sprayer: 4 - 6 oz/gallon

Power Injection Sprayer (1:9 model): 1½ -2½ quarts/5 quart

USE DIRECTIONS:

Pump Sprayer application: Dilute Axiom Clean Pre-Spray at 4 oz per gallon of water (1:32) for normal soil conditions. For heavier soil, use 6 oz per gallon (1:21).

Injection Sprayer application (High Pressure 1:9 model): Add 1½ quarts of Axiom Clean Pre-Spray to the 5-quart container for normal soil conditions. Fill with water, For heavier soil, use 2½ quarts of Axiom Clean Pre-Spray, then fill with water. Spray traffic lanes, spots and soiled areas of carpet. Allow 10 to 15 minutes dwell time, but do not allow carpet to dry. Rinse-extract thoroughly, using Axiom Clean Extraction Detergent, Axiom Clean Powder Detergent or Axiom Clean Free Rinse.

AXIOM CLEAN EXTRACTION DETERGENT

S773

pH: 7.5 - 8.0 ready to use
Packaged In: 8 oz, Gallons

HMIS® HAZARD RATING:			
Health	1	0=Minimal	
Flammability	0	1=Slight	
Reactivity	0	2=Moderate	
PPE	B	3=Serious	
		4=Severe	

Carpet and Rug Institute Seal of Approval Gold-level cleaning performance when used with Axiom Clean Pre-Spray and the Prochem Everest HP truckmount Deep Cleaning System. Mix 1 quart/5 gallons, meter at 4 gal/hr.

PROCHEM's AXIOM CLEAN EXTRACTION DETERGENT is the professional's choice for the best in superior cleaning performance. Use with Axiom Clean Pre-Spray for the most effective 2-Step cleaning combination.

FEATURES

- Top cleaning performance, for residential and commercial applications.
- Convenient liquid, easy to use and dilute.
- Economical 1:320 dilution rate.

WHERE TO USE: Use as an extraction detergent for hot-water extraction cleaning of wool and synthetic carpet and water-cleanable upholstery.

USE DILUTION:

Portable: 2 oz/5 gallons

Truckmount: 1 quart/5 gallons

USE DIRECTIONS:

Portables: Dilute Axiom Clean Extraction Detergent at 2 oz per 5 gallons of water (1:320) for normal soil conditions. For heavier soil, use 4 oz per 5 gallons (1:160).

Truckmounts: Mix one quart (32 oz) per 5 gallons of water to make truckmount concentrate for use in chemical injection system. Meter at 2 to 4 gallons per hour, depending on soil conditions.

First We Made it **MEAN!** Then We Made it **GREEN!**

AXIOM CLEAN POWDER DETERGENT

S779

pH: 9.2 - 9.8 ready to use
Packaged In: 1.5 lb jar, 6.5 lb jar,
48 lb pail

HMIS® HAZARD RATING:		
Health	1	0=Minimal 1=Slight 2=Moderate 3=Serious 4=Severe
Flammability	0	
Reactivity	0	
PPE	B	

AXIOM CLEAN FREE RINSE

S157

pH: 4.8 - 5.2 ready to use
Packaged In: 8 oz, Gallons

HMIS® HAZARD RATING:		
Health	1	0=Minimal 1=Slight 2=Moderate 3=Serious 4=Severe
Flammability	0	
Reactivity	0	
PPE	B	

AXIOM CLEAN FOAM SHAMPOO

S727

pH: 7.0 - 8.0 ready to use
Packaged In: Gallons

HMIS® HAZARD RATING:		
Health	1	0=Minimal 1=Slight 2=Moderate 3=Serious 4=Severe
Flammability	0	
Reactivity	0	
PPE	B	

PROCHEM's AXIOM CLEAN POWDER DETERGENT from PROCHEM is the professional's choice for the best in superior cleaning performance. Use with Axiom Clean Pre-Spray for the most effective 2-Step cleaning combination.

FEATURES

- Powerful extraction detergent for residential and commercial carpet cleaning
- Formulated to meet or exceed EPA Design for the Environment (DfE) program guidelines
- Biodegradable, butyl-free, phosphate-free and VOC compliant
- Mild pH is safe for all types of synthetic carpet, including stain-resistant carpet
- Stable at high truckmount temperatures
- Dissolves fast and easy

WHERE TO USE: Use on synthetic residential and commercial carpet as an extraction detergent as part of a Minimum Residue, Maximum Cleaning extraction cleaning system.

USE DILUTION:

Portable: ½ - 1 oz / 5 gallons

Truckmount: 1½ lb / 5 gallons

USE DIRECTIONS:

Truckmount Use: Mix 1½ lbs. (3 cups) into 5 gallons of water to make truckmount concentrate, for use in chemical injection system. Stir well until completely dissolved. Meter solution at 2 to 4 gallons per hour depending on soil conditions.

Portable Use: Mix ½ to 1½ ounces per 5 gallons of water depending on soil conditions.

Carpet and Rug Institute Seal of Approval Gold-level cleaning performance when used with Axiom Clean Pre-Spray and the Prochem Everest HP truckmount Deep Cleaning System. Mix 1 quart/5 gallons, meter at 4 gal/hr.

Use PROCHEM's AXIOM CLEAN FREE RINSE with Axiom Clean Pre-Spray for an effective 2-Step cleaning combination.

FEATURES

- For residential and commercial carpet and upholstery cleaning.
- Meets or exceeds EPA DfE program guidelines.
- Biodegradable, butyl-free, phosphate-free and VOC compliant.

WHERE TO USE: Use as an extraction rinse product for wool and synthetic carpet and water-cleanable upholstery, using hot water extraction methods.

USE DILUTION:

Portable: 2 oz/gallon

Truckmount: 1 quart/5 gallons

USE DIRECTIONS:

Portable Use: Dilute Axiom Clean Free Rinse at 2 oz per gallon (1:64) for normal soil conditions. For heavier soil, use 4 oz per gallon of water.

Truckmount Use: Mix 1 quart (32 oz) per 5 gallons of water to make truckmount concentrate for use in chemical injection system. Meter at 2 to 4 gallons per hour, depending on soil conditions. Use up to 2 quarts (64 oz) per 5 gallons to make concentrate for heavier soil conditions.

PROCHEM's AXIOM CLEAN FOAM SHAMPOO is fully biodegradable, butyl-free, phosphate-free and VOC compliant. Leadership in environmentally responsible cleaning from PROCHEM. the name you know and trust for top quality and performance.

FEATURES

- Powerful professional foam shampoo for residential and commercial carpet and upholstery.
- Mild pH is safe for all types of carpet including wool and stain-resistant nylon.
- Biodegradable, phosphate-free and VOC compliant.
- With polymer technology - leaves no sticky residues to attract soil.

WHERE TO USE: Use for rotary, bonnet and foam extraction of wool and synthetic carpet and water-cleanable upholstery.

USE DILUTION:

1 - 4 oz/gallon

USE DIRECTIONS:

Always pre-test for colorfastness in an inconspicuous location.

Bonnet cleaning: Mix 3 oz of Axiom Clean Foam Shampoo per gallon of water. Moisten bonnet and begin cleaning with even, overlapping motion. When bonnet becomes soiled, rinse and re-wet with Shampoo solution.

Rotary cleaning: Mix 1 to 3 oz/gallon of water. Use soft brush for rotary cleaning.

Dry foam and foam extraction machines: Mix 3 to 4 oz/gallon of water. Follow machine manufacturer's instructions for cleaning process.

AXIOM CLEAN MULTI-SURFACE CLEANER

B457

pH: 7.0 - 8.0 ready to use
Packaged In: Gallons

HMIS® HAZARD RATING:	
Health	1
Flammability	0
Reactivity	0
PPE	B

AXIOM CLEAN MULTI-SURFACE CLEANER from PROCHEM is the professional's choice for the best in superior hard-surface cleaning performance.

FEATURES

- Proven hard-surface cleaning performance, verified in independent laboratory testing.
- Heavy-duty formula removes the toughest oily and greasy soils.
- Non-flammable product removes grease and oil safely.

WHERE TO USE: Use for cleaning floors, walls, appliances, countertops, sinks, automotive, driveways, garages, and other hard surfaces.

USE DILUTION:

1 - 32 oz/gallon depending on use

USE DIRECTIONS:

Pre-test in an inconspicuous location. Not recommended for use on wood, aluminum, most carpets, fabrics or other delicate surfaces. Use with caution on painted surfaces, plastics, "no-wax" resilient floors.

Light cleaning: Mix 1 to 4 ounces per gallon of water.

General cleaning: Mix 4 to 8 ounces per gallon of water.

Heavy-duty cleaning: Mix up to 32 ounces with water to make one gallon. Use for fire restoration and heavy degreasing.

NOTE: Always rinse with water after cleaning.

AXIOM CLEAN DEODORIZER

B247

pH: 7.5 - 8.5 ready to use
Packaged In: Gallons

HMIS® HAZARD RATING:	
Health	1
Flammability	0
Reactivity	0
PPE	B

PROCHEM's AXIOM CLEAN DEODORIZER is a bio-enzymatic deodorizer that attacks and digests organic residues that cause odors. Use Axiom Clean Deodorizer in combination with the Axiom Clean 2-Step system for complete carpet maintenance.

FEATURES

- Removes organic odors from carpet and upholstery.
- Formulated to meet or exceed EPA Design for the Environment (DfE) program guidelines.
- Mild pH is for safe stain-resistant carpet.

WHERE TO USE: Use to remove unpleasant organic odors from nylon and olefin carpet and most water-cleanable upholstery.

USE DILUTION:

Mix 1 part Axiom Clean Deodorizer with 4 parts water.

USE DIRECTIONS:

Always pre-test carpet or fabric in an inconspicuous location for colorfastness. Not recommended for use on wool. Remove odor-causing surface soil when possible.

Mix 1 part Axiom Clean Deodorizer with 4 parts water. Apply deodorizer directly to odor source. Use a coarse spray, keep sprayer near the surface, do not mist into the air. Allow deodorizer to penetrate and contact the source of the odor. Allow dwell time for deodorization process. Can be injected to attack subsurface odor sources, or applied directly to carpet backing, pad, subfloor and porous surfaces. Rinse-extract with Axiom Clean Extraction Detergent or Axiom Clean Free Rinse after deodorizing.

AXIOM CLEAN SPOTTER

B343

pH: 7.5 - 8.0 ready to use
Packaged In: 8 oz, Quarts

HMIS® HAZARD RATING:	
Health	1
Flammability	0
Reactivity	0
PPE	B

PROCHEM's AXIOM CLEAN SPOTTER is formulated to meet or exceed EPA Design for the Environment (DfE) program guidelines. Use Axiom Clean Spotter in combination with the Axiom Clean 2-Step system for complete carpet maintenance. Awarded Carpet and Rug Institute Seal of Approval for cleaning performance.

FEATURES

- For residential and commercial carpet and upholstery cleaning.
- Biodegradable, butyl-free, phosphate-free and VOC compliant.
- Removes a wide variety of spots and stains from carpet and upholstery.

WHERE TO USE: Use as a spotter to remove spots and stains from wool and synthetic carpet and water-cleanable upholstery.

USE DILUTION: Ready to use

USE DIRECTIONS:

1. Pre-test Axiom Clean Spotter in an inconspicuous location for colorfastness.
2. Remove any surface spot material. Apply Axiom Clean Spotter onto the spot, making sure to wet all stained areas.
3. Blot with clean absorbent white cloth. Larger stains may require light brushing, but do not rub. Work from the outside to the center of large spots.
4. Repeat if necessary. Rinse with clear water, or with hot-water extraction. Gently brush carpet or fabric to align fibers.
