Education for the Professional Cleaner

## IICRC Water Damage Restoration

January 11, 12 & 13, 2017 | \$425 | Rick Ruch

### Water Damage Restoration Technician (WRT)

The Water Damage Restoration Technician course is designed to teach restoration personnel that perform remediation work to give them a better concept of water damage, it's effects and techniques for drying of structures. This course will give residential and commercial maintenance personnel the background to understand the procedures necessary to deal with water losses, sewer backflows, and contamination such as mold.

(3 day course; 19 hours, not including exam time, lunch and breaks)

**2 - Continuing Education Credits (3 day course; 19 hours, not including exam time, lunch and breaks)**

Registrants receive homemade meal & manual.

Test fee is an additional \$65 to the IICRC payment is collected at time of testing.
