

REVIVE

POWDERED CARPET DETERGENT

DESCRIPTION:

Revive is DSC's next generation of powder detergent meant for both portables and truckmounts to tackle the widest variety of soils and stains found on carpets. Designed to replace and surpass the performance of our R-series detergents (R-2 and R-3), Revive has the power and flexibility for cleaners to handle any job with ease.

Revive is a versatile, easy to use powdered detergent. Flexible enough for both truckmounts and portables, Revive contains the right combination of degreasers, soil lifters, and water softeners to be effective on a wide variety of carpets and soils. Just hit any heavy stains with a prespray or spotter to handle the specific task and let Revive handle the rest.

DIRECTIONS:

For portables: Use 2-4 oz. per gallon (1-2 scoops)

For truckmounts: Use 1-1.5 lb. of product per 5 gallons of water, metered at 5 gallons/hour.

Rinse and extract from carpet after cleaning.

SPECIFICATIONS:

Appearance: White granular powder

Odor: None

pH: 11-12

Storage: Store in tightly closed containers away from heat.

PACKAGING OPTIONS:

- 4/8# Jar
- 40# Bucket
