

RUST-OFF

DESCRIPTION:

Metal furniture feet and corroding air ducts can leave behind unsightly rust stains on commercial and residential carpets. If this stain builds up in the fibers, your average detergent or spotter can't lift the stain alone. A tough stain takes an even tougher cleaner, and Rust-Off is the toughest on rust. Using a new, fluorine-free formula, Rust-Off has the power to remove stains on carpet and hard surfaces without using any of the dangerous fluoride chemicals that can cause severe burns and nerve damage.

DIRECTIONS:

Apply directly onto the stained area. Let sit for 1-3 minutes before blotting away with a damp cloth. If stain persists, repeat application. Clean up any excess product to avoid damage to other surfaces. Always test colored fabrics and carpet in an inconspicuous area before use.

PACKAGING OPTIONS:

- 12/pts

SPECIFICATIONS:

Appearance: Clear gel

Odor: None

pH: 3

Storage: Store at room temperature away from heat or open flame. Keep container tightly closed.

Freeze/Thaw: Will recover with warming.
