

SURE-FIRE

DESCRIPTION:

DSC's most concentrated cleaner ever, Sure-Fire's solvents, emulsifiers, and surfactants break up and remove soil on almost any surface. This extremely versatile product functions as a traffic lane cleaner, heavy duty spotter, and hard surface grease cutter that is specifically formulated to perform well over a wide range of dilutions. Sure-Fire contains no butyls or quats, making it safe to use in all homes, businesses, and institutions.

DIRECTIONS:

For carpets: Dilute 1:32 (4 oz. per gallon) for general cleaning and 1:20 (6 oz. per gallon) for high traffic areas. Dilute 1:15 (8 oz. per gallon) for the heaviest stains and soils. Apply with a sprayer to the soiled area of carpet or upholstery. Brush after applying. Allow the solution to set a few minutes before extracting. If stain persists, repeat process until the dirt is removed.

For hard surfaces: Effective at a dilution ratio as low as 1:100 (1-2 oz. per gallon) for mopping or wiping hard surfaces. Always test in an inconspicuous area before use.

PACKAGING OPTIONS:

- 4/1 gal.

SPECIFICATIONS:

Appearance: Light, tan liquid

Odor: Lemon

pH: 11-12

Storage: Store at room temperature away from direct sunlight.

Freeze/Thaw: Freezes at very low temperatures, recovers with no loss of efficiency.
